Summer Dance Intensive Opportunities - June 17 - 19

We will be hosting 2 different dance intensives for our older dancers. Dance intensives are a great way to get experience in genres of dance that you normally don't take class in. It's also an opportunity to take class from different instructors. These will be June 17 - 19. See below for ages and times. Dancers will have classes in ballet, jazz, contemporary, musical theater, and hiphop. Cost is \$165.

Mini Intensive - Ages 7-9 9:30 -12:30
